

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Presentation of Annual Santa's Neighborhood Visit and Canned Food Drive.

MEETING DATE: November 17, 1999

PREPARED BY: Verne Person, Division Chief

RECOMMENDED ACTION: PRESENTATION

BACKGROUND INFORMATION: 1999 will be the 15th year Lodi Firefighters has conducted "Santa's Neighborhood Visits." This program has become a Lodi tradition and brings much joy for the citizens of Lodi during the holiday season. In 1998 Rick Gerlack spearheaded organizing a Canned Food Drive in conjunction with this program. We look forward to making this an equal success in assisting the Lodi Community Center with their Canned Food Drive. Engineer Rick Gerlack will be making the presentation to increase the awareness of both programs to bring Christmas joy and assist those less fortunate.
